## Climatic tube for level sensors

CLIMATIC TUBE L=728

| Application              |                                     |
|--------------------------|-------------------------------------|
| Design                   | for capacitive level sensors LK, LI |
| Media                    | water; hydrous media                |
| Medium temperature [°C]  | 0...55                              |
| Pressure rating [bar]    | 0.5                                 |
| Operating conditions     |                                     |
| Ambient temperature [°C] | 20...60                             |
| Mechanical data          |                                     |
| Weight [g]               | 206.5                               |
| Materials                | PP-H; NBR                           |
| Length [mm]              | 728                                 |
| Remarks                  |                                     |
| Pack quantity            | 1 pcs.                              |
